Illness:

If your daughter is running a fever of 99° or higher, or is vomiting a parent/guardian will be called and required to pick her up. We do have cots and a private room that we will move your daughter to until you arrive.

Behavior:

We expect the same positive behavior as is required by the Baldwin School.

Contacts:

Baldwin Buds: # 610-520-0163

After 4pm we are usually on the playground; please call Debbie's cell if no one answers at Baldwin Buds.

Debbie Duffy's cell#: 484-880-3671

Note: If you are running late at 6PM pick-up, please call so we can inform your daughter/daughters you are running late. Your daughter/daughters get very anxious.

Arrival:

Your daughter/daughters arrive to us at 2:55. If you are late picking your child up from school and your child is brought to Baldwin Buds, you will be charged accordingly. If your child comes to us following any after school activity or private lesson you will be charged accordingly. We do encourage your daughters to come to us if a parent is late for any reason. It is a safe and fun environment with their friends – and you as parents will know where to find your daughters if you were detained for any reason. This is another reason we ask all parents to fill out a registration and emergency form for Baldwin Buds. The unexpected does happen, and we will have all the information to care for your daughters.
