

Welcome To Baldwin Buds
The Baldwin School After School Program
2010-2011

I would like to welcome all of our new and returning Baldwin Buds. My name is Debbie Duffy, Director of Baldwin Buds and this is my 6th season with the Buds. My assistants are Keira Haitz, Maria Toole and Christina Forrest.

The Baldwin Buds Program is open to Baldwin students only - Monday through Friday on regular scheduled school days. Your daughters will be in a safe and fun learning environment after school until 6PM. Days such as half days, conference days, holidays etc. will require other arrangements to be made for your daughters.

This packet contains some general information about the Baldwin Buds Program along with the Registration and Emergency Information Forms. **We require** that you complete the Registration and Emergency Information Forms prior to your daughter attending Baldwin Buds. Please fill out this form even if you do not plan on sending your daughter. If an emergency arises our program has the flexibility to accommodate your daughter as long as you have completed the registration forms. Please inform us of all phone number and medical changes, and emergency pick-up contacts immediately!

We provide a snack and one hour of homework time during Baldwin Buds. Please be sure to notify us of any food allergies or if you prefer homework be done at home. We will provide additional homework time if needed. We like to take the Buds outside as often as possible for fresh air and exercise so please be sure to send appropriate attire. The last few years we even went sledding!

Your daughters will enjoy the following in our program:

- Free Play
- Educational Play
- Arts and Crafts
- Baking
- Manners
- Respect for Others
- Stories, Games and much more

(Continued)

Baldwin Buds has a tradition of having popcorn and a movie day on Fridays or the last day of the school week. We do not require everyone to watch the movie; your daughters may do other activities if they wish.

Your feedback is always beneficial to our program. We look forward to another wonderful year with your daughters at Baldwin Buds.

Sincerely,

Director
